

You are warmly invited to participate in
UNITED CAROL SERVICE 2009
on Sunday December 6th at 6pm

*It was a delight to attend this event last year
when it was hosted by Evangelical Asian Church.*

*This year, the torch has been passed to New Covenant Church in
hopes that the ongoing efforts to create an umbrella under which the
Toronto Indo-Pak Christian community can celebrate the Christmas
season united, as one, will be a continuous and joint effort.*

*As per this newly founded tradition we have chosen to continue,
NCC is pleased extend a warm welcome to all churches and organizations
to join us and enjoy the evening in wonderful spirit of Christmas.*

*The participation of all singers, musicians and poets,
is urged and will be a great blessing for all attendants.*

*Kindly announce the details of this program in your
regular Sunday services and do encourage congregation
members to participate in this Carol Service, where the
torch will be passed down to next year's selected host.*

Thanking you in anticipation.

Sincerely,

Rev. Alexander David
Senior Pastor
